

FACILITIES AND SERVICES FOR STUDENTS WITH DISABILITIES

The Aveda Institute provides students with disabilities equal access to all programs, facilities, and activities at the Institute, and also helps promote self-advocacy skills. The Institute is committed to providing effective accommodations for all qualified students with disabilities under section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. Reasonable accommodations are determined on an individual, case-by-case basis after submission of documentation to the Institute's Campus Director.
